Hi Adam,

I just spoke to the owner of Legend drug and he wants to talk to you directly as there is a possibility of law suit because one of his patients got Biktarvy which he ordered from safe chain but there was seroquel xr tablets inside. He already got call phone from Gilead and he wanted to discuss further with you.

Attached is his contact number.

Thanks

Hi Ritesh

We have a big issue with 2 legacy clients and we need your help

- **131 - Legacy-HIV Customers:**
 - o 04/30/21 ACH – \$ 862,129.14
 - o Returned ACHs – when can we re-run these payments?
 - **27-NY0162 Van Wyck Prescription Center:** \$86,263.18 past due
 - **27-NY0189 Legend Drugs 1:** \$26,748.03 past due

Van wyck will go to collections very soon. He is lying to you and owes a ton of money.

Legend needs to catch up.

Both cancelled their ACH's and kept the product --stealing.

Please reach out to both and get back to us thank you
